The address is 6001 E Mesquite Rd, Cave Creek, AZ 85331  
GPS Coordinates of Clampsite:  
33°50'24.7"N 111°57'02.3"W or 33.840185, -111.950648

The Clampsite is on private property and we have 10 acres with water and is 1.5 miles from the museum where we are putting the plaque. The stamp mill will be operational for us.

From the North or South take 1-17 to HWY 74 ( Carefree Hwy) and go East). From the Kingman area take Hwy 93 South through Wickenburg to Hwy 74 and turn left on Carefree Hwy. Turn Left on Cave Creek Rd and continue to North Basin Rd. and turn left. Continue to E.Grapevine and turn left. Continue to N. Spur cross Rd and turn Right. Finally turn Right on E. Mesquite Rd. The Clampsite is 1.5 miles from the museum where we are putting the plaque. This is a residential area with mainly horse property so seemly decorum at all times! We are getting free entrance to the museum, but no smoking or alcohol on museum property!
